Reduce your fees further by using Dentacoin tools and earning DCN

Take advantage of a ready, easy-to-use, and highly automated solution

HOW IT WORKS IN 5 STEPS:

1

Check if your dentist works with Dentacoin Assurance. If they are not yet aware of it, let them check www.assurance.dentacoin.com or contact us at assurance@dentacoin.com.

2

After you have been examined by your dentist and you have both agreed on the monthly fee and the services covered, wait for them to send you a written proposal.

3

Sign up for free at www.assurance.dentacoin.com patient or log into your existing account to check the conditions. If agreed, sign the contract, charge your account, and activate monthly payments.

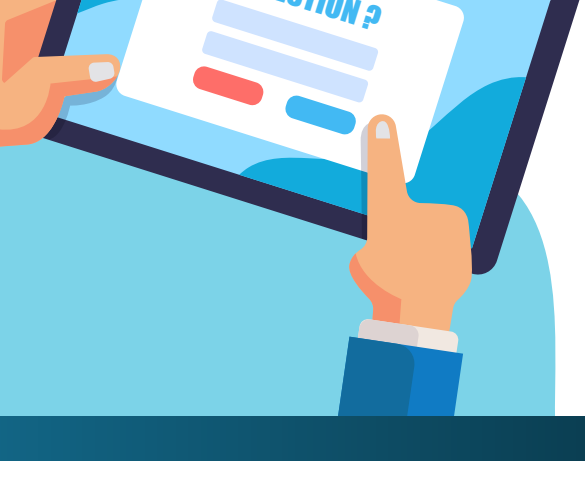

4

To buy DCN and charge your account, use the embedded solution on your Assurance contract page or www.wallet.dentacoin.com/buy. You can also use the DCN rewards you have earned on other Dentacoin tools.

5

Maintain proper oral hygiene with the Dentacare mobile app, visit your dentist for the agreed check-ups and tooth cleanings, get basic treatments covered, and enjoy good oral health for life!
