HOW TO BECOME PARTNER IN 5 STEPS:

1 Register at:

www.reviews.dentacoin.com/en/welcome-dentist/.

Make sure you use the form for "Dentists" to unlock all features. Fill out the necessary information about your practice and wait for approval (up to 72 hours).

2 Need help with signing up? Or just curious to know more about Dentacoin before registering? Feel free to send your inquiry here and our team will get in touch shortly: www.dentists.dentacoin.com/#contacts.

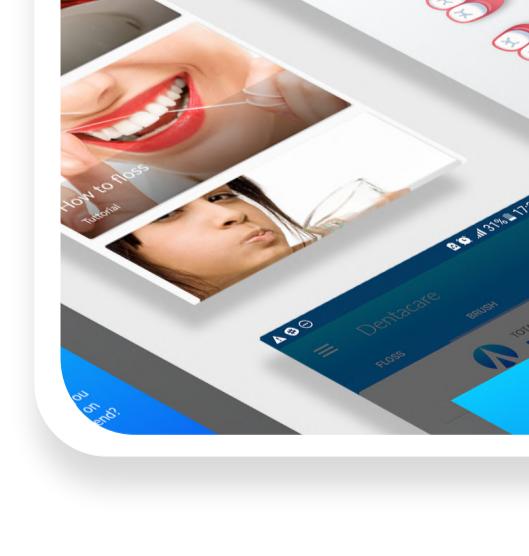

3 Let us know when you are ready to start accepting payments in the only digital dental coin. To do so, you just need to create a wallet for your practice where patients will transfer their payments: www.wallet.dentacoin.com/.

Nothing to worry about; we will guide you and your team through the process.

4 Now let's spread the word! Add "Dentacoin accepted here" badge to your website and publish your favorite partner banner on your social networks: www.dentists.dentacoin.com/download-assets.

5 Help us present you in the best possible way by sending us pictures/ videos of your practice and sharing why do you think Dentacoin solutions are useful to your practice. This will allow us to compile a great article, promoting our partnership to all 200K+ people in our social media and email lists!

HOW TO ENGAGE YOUR PATIENTS:

LET THEM KNOW

To present Dentacoin to your patients, you can use our ready promo banners (scroll until section "Dentacoin Tools: Promo Banners": www.dentists.dentacoin.com/download-assets). You can also show them or print out this brochure: <http://bit.ly/2SJ4We3>

PROMOTE PREVENTION

Motivate your patients to download Dentacare - Health Training and help them maintain proper oral hygiene habits in a 90-day incentivized challenge: www.dentacare.dentacoin.com. Get kids excited as well with the brand new Dentacare: Jaws of Battle game: www.jawsofbattle.dentacoin.com.

CREATE WALLETS

Assist patients with creating their Dentacoin wallets to make it easier for them to manage rewards and payments. It's very easy and takes up to 1 minute. Our staff will guide you and your team through the process! Use the desktop version on www.wallet.dentacoin.com or download the app:

Get it on Google Play Download on the App Store
